  - Becky Jones, RN
  - Kim Guckert, RN
  - Todd Clark, LPN
  - Abbigayle Curtis, LPN

### **Administration**

- Barbara Bradley, BS, REHS/  
Administrator

### **Words from the Administrator**

The Marietta/Belpre Health Department continued to provide COVID education, vaccinations and distribution of test kits. The department applied for and received three grants and completed document submission and site visits in the accreditation process. With the grants, we added a second part-time Community Health Worker. These CHWs are vital to the residents we serve and have had many success stories since starting. Sadly the department had some staff leave to pursue other jobs and had retirements. Many of the job vacancies were absorbed by other staff members and we had new hires. I look forward to 2024 with anticipation that the department will continue to grow and offer new services to our residents.

## **2023 ANNUAL REPORT**
